## A BIG NIGHT AT THE OSCARS

### ALL THE GLITZ, GONGS AND GOSSIP FROM HOLLYWOOD

South of France. Little ones will adore the petanque tournaments that take place daily in the lavender-scented gardens, and if you can peel them away from the jewel-like pool, there are jaunts to the Friday morning market in neighbouring Carpentras. The painterly tones of the surrounding countryside are echoed in the rustic-chic bedrooms – the best of which has to be the standalone two-bedroom suite – and wardrobes are hung with dinky bathrobes and slippers *pour les enfants*. Evenings here couldn't be more enchanting and there's round-the-clock babysitting from excellent local nannies that will leave you in peace to savour chef Adrien Brunet's hyper-seasonal creations as stars pinprick the sky.

**THE STARS:** Rosie Huntington-Whiteley (right) and Jason Statham have holidayed in the South of France with daughter Isabella.

**DETAILS:** Rooms at Grillon Le Brave begin at €350 (approx. £308) B&B; visit [crillonlebrave.com](http://crillonlebrave.com). British Airways flies from London to Naples from £42 one way; visit [ba.com](http://ba.com).
