BETWEEN EARTH AND SEA

HÔTEL CRILLON LE BRAVE

PROVENCE, FRANCE —

During a very special culinary weekend--24th to 26th of November--guests will be in for a gastronomic extravaganza as part of an extraordinary collaboration. Executive Chef Adrien Brunet, who has been leading the kitchens since 2021, and his good friend Chef Aymeric Depogny present a fusion experience--a gastronomic four-hand menu that seamlessly blends two chef styles with the dual flavors of land and sea.

“During this exceptional weekend, I welcome my friend, Chef Aymerick Depogny, whom I met while attending the same culinary school. Chef Aymerick is known for his experience as a chef at the Michelin-starred restaurant Abbaye de Villeneuve and his mastery of seafood cuisine from the Atlantic coast. I am looking forward to creating an experience that combines his skills with my Provençal culinary inspiration.”
