Minimoon

Hôtel Le Coucou, Méribel, France

Mark your next chapter together with a wintry minimoon adventure in the French Alps. In the heart of Les 3 Vallées, the chocolate-box village of Méribel is as quaint as it gets, with wooden chalets perched on powdery peaks, and pristine ski runs to enjoy between fondue-fuelled dinner dates. Hôtel Le Coucou from the Maisons Pariente collection is a luxury alpine sanctuary, with a seamless ski-in ski-out approach. The resort's Tata Harper Spa is another slope-side highlight, offering bespoke massages and collagen treatments to maintain your radiant newlywed glow! lecoucoumeribel.com
